Key Actions

No engine brakes. Resolution 26-229, on the Engineer's recommendation, prohibits engine brakes on Bridgewater Road from Blend Road to State Route 513. The Engineer is authorized to ask the Ohio Department of Transportation to install "NO ENGINE BRAKE" signs.

Freedom Road speed limit. Resolution 26-230 supports a 45-mile-per-hour speed zone on Freedom Road from Old 21 Road to Irish Ridge Road, based on the Engineer's speed-zoning report. The reduction requires Ohio Department of Transportation approval. The Engineer is authorized to submit the report.

AEP easement. The Board granted Ohio Power Company a 20-foot electric and communication easement across the County Home Road dog-shelter property in Wills Township, Auditor's Parcel 44-0000735.000, part of a 192-acre tract. The easement covers overhead and underground facilities. A related tree-removal agreement allows AEP to clear the easement at no cost to the County.
